

CRESTRON MARINE

The Power of One

 **CRESTRON**

CRESTRON **MARINE** The power of one

The best-in-class technology and close working relationship you expect.  
The elegant, connected lifestyle your clients demand.  
The one company that understands both and delivers on it.

Crestron creates the contemporary solution for the modern luxury superyacht. From flawless control and distribution of audio and video, to seamless integration of lighting, shades, climate, and navigation systems, we provide your clients with the same elegant, connected lifestyle of comfort and convenience wherever they happen to be: at anchor, in the marina, or at sea. It's the technology to live well, without compromise, and with complete peace of mind.

CRESTRON **MARINE** The power of one

## Why is Crestron the number one choice of shipbuilders, specifiers, and ETOs?

### **ONE COMPLETE, INTELLIGENT, AND SECURE AUTOMATION SYSTEM**

Control everything, from anywhere onboard

### **ONE GLOBAL COMPANY**

With 90 fully staffed offices worldwide, we're everywhere you are

### **ONE MISSION**

Robust, flexible solutions renowned for reliability

### **ONE DEDICATED SUPPORT NUMBER**

A single call for anything you need, anytime, at anchor or at sea, anywhere in the world

### **ONE CONSISTENT, INTUITIVE USER EXPERIENCE**

Learn once, use everywhere

### **ONE DASHBOARD**

Monitor all systems and identify issues – before they become issues

### **ONE INNOVATOR**

Always at the forefront of technology

CRESTRON **MARINE** The power of one

## All the essentials, rolled into one

There's a simple reason why Crestron is the undisputed leader in the superyacht industry – we deliver the best user experience by far. Crestron is the only company that designs, manufactures, and supports the full spectrum of marine systems in one all-encompassing solution.

### LIGHTING

Combine dimming and color-tuning to provide the perfect ambiance in every room and space.

### SHADES

Transform any space into a more spectacular one with silent, motorized shades. Available in stunning designer fabrics, from blackout to transparent, and with a choice of elegant complementary hardware.

### CLIMATE

Maximize comfort in every room and space across the vessel with absolute ease of control.

### AUDIO

Distribute different music to different areas of the vessel at audiophile sound quality.

### VIDEO

Optimize the viewing experience with one tap, whether watching cable TV, streaming a movie, or playing a game. And always in the latest, best image quality available.

### TOUCH SCREENS AND KEYPADS

Control everything onboard in style and with just a tap. Choose from a wide variety of control devices featuring the most stunning designs in the industry.

### REMOTES

Communicate, control, entertain, and play at the touch of a button. Waterproof models even dive in with you.

### SECURITY

Enjoy the peace of mind that comes with enterprise-grade security for the entire AV and control system, plus the ability to control security and remotely monitor CCTV.

### NAVIGATION AND DESTINATION

Track the route, monitor weather, and prepare for your destination, from anywhere onboard.

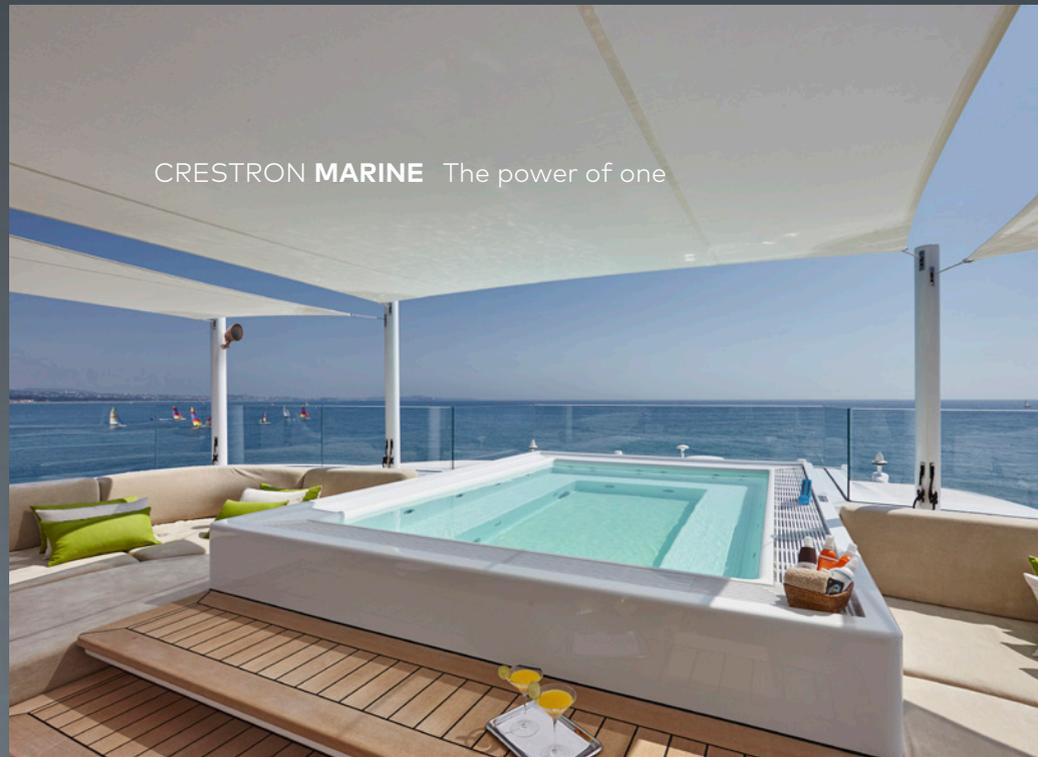

CRESTRON **MARINE** The power of one

## Always at your command; always at your service

Only Crestron seamlessly unifies the entire yacht ecosystem, including ship-related services and systems, such as crew calling and navigation, in one place for complete control and oversight. With a user interface as stylish and sophisticated looking as it is functional and intuitive, your clients will experience true luxury with a single touch of a button. And ETOs will appreciate the peace of mind of renowned Crestron global support to back it up anytime, anywhere.

CRESTRON **MARINE** The power of one

## Because luxury is different for everyone

With Crestron, you're in complete control of how your client's system performs – and looks. Our controls are as flexible as the automation systems they command.

Simply put, Crestron systems can be as unique as your clients. The only limitation is their imagination. Rose gold touch screen to match a favorite wristwatch? Of course. Beautifully designed Crestron touch screens, keypads, and wall panels are available in a wide range of finishes to complement any décor and personal taste. Discrete wall mounted keypads become almost invisible. Waterproof remotes even dive in with you.

CRESTRON **MARINE** The power of one

## Specialized training and global support

We've learned that anything is possible in our 45 years of designing, commissioning, and crafting the world's finest intelligent marine automation systems. We're here to pass that knowledge along to you.

Participation in our specialized marine training courses is the best way to understand your Crestron system inside and out. We'll start with an introduction to the full range of Crestron products and solutions, followed by insights into how we work and the services we can provide you. Lastly, we'll explain the options available to you to learn more about the engineering, installation, and programming of our systems.

### WHY YOU SHOULD ATTEND

You'll get an introduction to the world of Crestron and a peek behind the curtain – you'll see there's no "magic" involved, just highly advanced technology!

### WHAT YOU'LL LEARN

How to work with Crestron as a company; a basic understanding of how we engineer and program systems; and whom to contact, if you want to go deeper.

### HOW TO GET STARTED

Book your marine training today at [marinetraining@crestron.com](mailto:marinetraining@crestron.com)

### SUPPORT

If you need assistance, our expert global marine support team is ready to serve you 24/7/365. Contact information is available at our Support Center at [crestron.com](https://www.crestron.com)

CRESTRON **MARINE** The power of one

## Global presence, local support

With 90 fully staffed offices in every major market worldwide, Crestron is everywhere you are, 24/7. Whatever you need, from sales and technical support, to customer service and training, is just a single phone call away.
